
Etapa județeană / a sectoarelor municipiului București a olimpiadelor naționale școlare – 2026
Probă orală

Limba engleză

CLASA a XI-a - SECȚIUNEA B

21 martie 2026

Biletul nr. 1

- Analyse what the image suggests about the impact of digital technology on collaborative learning and working practices among young people.
- Some people claim that face-to-face interaction is becoming less significant in contemporary society due to the widespread use of digital communication tools. To what extent do you agree or disagree?
- Do you think informal working environments such as cafés or co-working spaces are more effective than traditional offices or classrooms? Why/Why not?

CLASA a XI-a - SECȚIUNEA B

21 martie 2026

Biletul nr. 2

- Describe the picture and explain how the woman's actions and the surrounding details highlight a creative, practical activity.
- Why do you think activities such as repairing or redesigning old furniture are often associated with a more environmentally responsible way of living?
- How can engaging in hands-on creative hobbies like DIY projects influence people's sense of achievement, well-being and attitude towards consumption?

CLASA a XI-a - SECȚIUNEA B

21 martie 2026

Biletul nr. 3

- Analyse the message conveyed by the image. Do you think individual actions, such as planting trees, can contribute to solving global environmental problems? Why/Why not?
- To what extent do you agree that parents play a more decisive role than schools in shaping children's attitudes towards nature and environmental responsibility?
- In your opinion, should governments focus more on large-scale environmental policies or on encouraging small actions by citizens?
